

Silent Security Solutions, Inc. is a New York State certified Service-Disabled Veteran-Owned Business providing physical-security assessment, emergency-preparedness advisory, tabletop facilitation, and procurement support to state, local, K-12, higher education, and federal clients. Built on 30+ years of operational security experience, we deliver disciplined written work product - not vendor pitches.

CORE COMPETENCIES

- **Physical Security Program Assessment**
Independent review of facilities, access, visitor management, alarms, video, and emergency coordination.
- **Facility Risk & Vulnerability Assessment**
Site walks, document review, stakeholder interviews, and risk-ranked written deliverables.
- **Safety, Preparedness & Continuity Documentation**
Physical-security policies, emergency action plans, post orders, visitor management, and continuity procedures.
- **Physical Security Technology Advisory**
Independent advisory on access control, video, alarms, intercoms, visitor systems, and mass notification.
- **Tabletop Exercises & Emergency Planning**
Facilitated exercises for active threat, severe weather, facility disruption, emergency response, and continuity.
- **Procurement & Acquisition Support**
Requirements and evaluation support for physical-security and preparedness RFPs, RFQs, and SOWs.

DIFFERENTIATORS

- NYS Certified SDVOB - qualifying agency purchases may use State Finance Law §163(6)(d), subject to agency requirements.
- Service-disabled veteran ownership; 30+ years of physical, personnel, and operational security experience.
- Physical-security and preparedness practice - no cybersecurity consulting, hardware sales, or vendor incentive conflicts.
- Written deliverables a contracting officer, auditor, or FOIL request can stand behind.
- Small-business agility - quick teaming, fast SOW turnaround, prompt response to procurement requests.
